

COVENTRY LOCAL SCHOOL DISTRICT

STUDENT FEES

2016 - 2017

*Please note: School fees may be paid by cash, check, or online through the My School Bucks program.
(Please make your check payable to your child's school.)*

Please know that when school fees go unpaid it has serious repercussions on our district's finances. Therefore, we kindly request that all school fees be paid by **October 15** of each school year. If fees are unpaid by October 15, the student's report card will be held and students will not be eligible to participate in certain school activities such as field trips.

If fees continue to go unpaid by the end of the first semester, it will result in the following:

1. Student report cards (hard copies) will be held
2. Progress Book accounts will be deactivated
3. Disqualification from school activities such as school dances and field trips

If you currently qualify for the district's free lunch program, you must fill out a school fee waiver to be exempted from this expense. If the waiver is not completed the same results listed above will apply.

If you have questions regarding your child's school fees, please contact the school's main office.

Thank you

Coventry High School
