

Please Join Us

Every year Coventry High School sponsors a Veteran's Day Program to celebrate and personally thank those who have served our country and dedicated their life to preserving our freedom. We extend this invitation to community members, family members of our students, past graduates and Coventry staff members who are veterans or are currently serving in our nation's military. This year we would also like to invite you to our Veterans Day breakfast starting at 8:00am followed by an all-school assembly at 9:00am. Please join us in helping educate our young people about the importance of recognizing and honoring your sacrifices.

Thank you for your dedication to our country.

Please RSVP to John Hutchinson
