

The Character Education committee met on September 16th, 2009. In attendance were Michelle Berentz, Debbie Mcnamara, Shelley Llewellyn, Terri Tucker, Missy Ostrowski, and Becky Dimeff

- A. The Character Education Committee is seeking new members. If you are interested in serving on the committee, please contact Shari Brustoski. You may be able to earn CEU's through the LPDC committee by serving on the Character Education Committee. You would need to turn in a proposal to the LPDC committee. Debbie McNamara can give you more information on that if you are interested. The committee is also looking for someone to be secretary this year.
- B. We have two students attending the Laws of Life character education banquet in Columbus on October 1st, 2009. After winning at the district level they were chosen as winners at the state level. We wish them luck on the national level as well. The students are Alexis Weaver – Erwine and Cynthia Harger – HS (was CJH when submitted last spring)
- C. The committee is going through their budget for the upcoming year. We are waiting on some reports before determining what we can spend money on this year.
- D. There is a Character Education conference this fall. We do not know at this time if there are funds available to send a team to the conference.
- E. Our next meeting will be **October 21st, at 3:00** in the JH conference room. The committee recognizes it is hard for the elementary staff to get to the JH by 3:00 p.m. We are looking for ideas to help with that situation. Would starting the meeting 15 later help? Could coverage be provided in the buildings so that they can get to the meetings by 3:00? Just ideas people have thrown out to discuss.
- F. Congratulations to our staff members who are nominated for September as staff that represent the character traits in a positive manner.
