

Certification of Standards Governing Types of Foods and Beverages Sold on School Premises

Coventry Locals Schools are in compliance with Ohio Revised Code 3313.814 - Standards governing types of foods and beverages sold on school premises.

Registered Dietitian, Mark Bindus plans all menus and oversees the purchase of all a la carte and vending items to ensure that not only that not only do they comply with Ohio Revised Code 3313.814, but they meet the highest standards set forth by the USDA.

Our goal in food service is to always provide foods that are not only healthy, but, great tasting and appealing to our students and staff at Coventry Local Schools.
