Coventry Parents,

We are excited to introduce you to Coventry's new forms and enrollment system, **Final Forms!**

Unfortunately, the system that we previously used is no longer able to support our needs. We are confident that Final Forms will be a more user-friendly solution for our academic, enrollment, and athletic needs!

Final Forms is an online forms and data management system that guarantees compliance, distributes data, and reduces liability within our district. Final Forms saves student data from sport-to-sport, club-to-club, year-to-year, eliminating paperwork from your life! At minimum, you will log in to update, verify and sign forms once per year, or as often as your information changes.

## NEXT STEPS:

1. **Check your email:** At this time, you should have received an account confirmation email from Final forms.
2. Please click '**confirm your account**' in the email text.
3. Create your new FinalForms **Password**, and confirm your account.
4. Login to the system and complete your forms!

**If you did not receive a Confirmation Email...** please take a moment to update your email with Coventry Schools at the following Link:

Thank you for your assistance in streamlining our paperwork processes at Coventry Local Schools.

Sincerely,  
Coventry Local Schools
