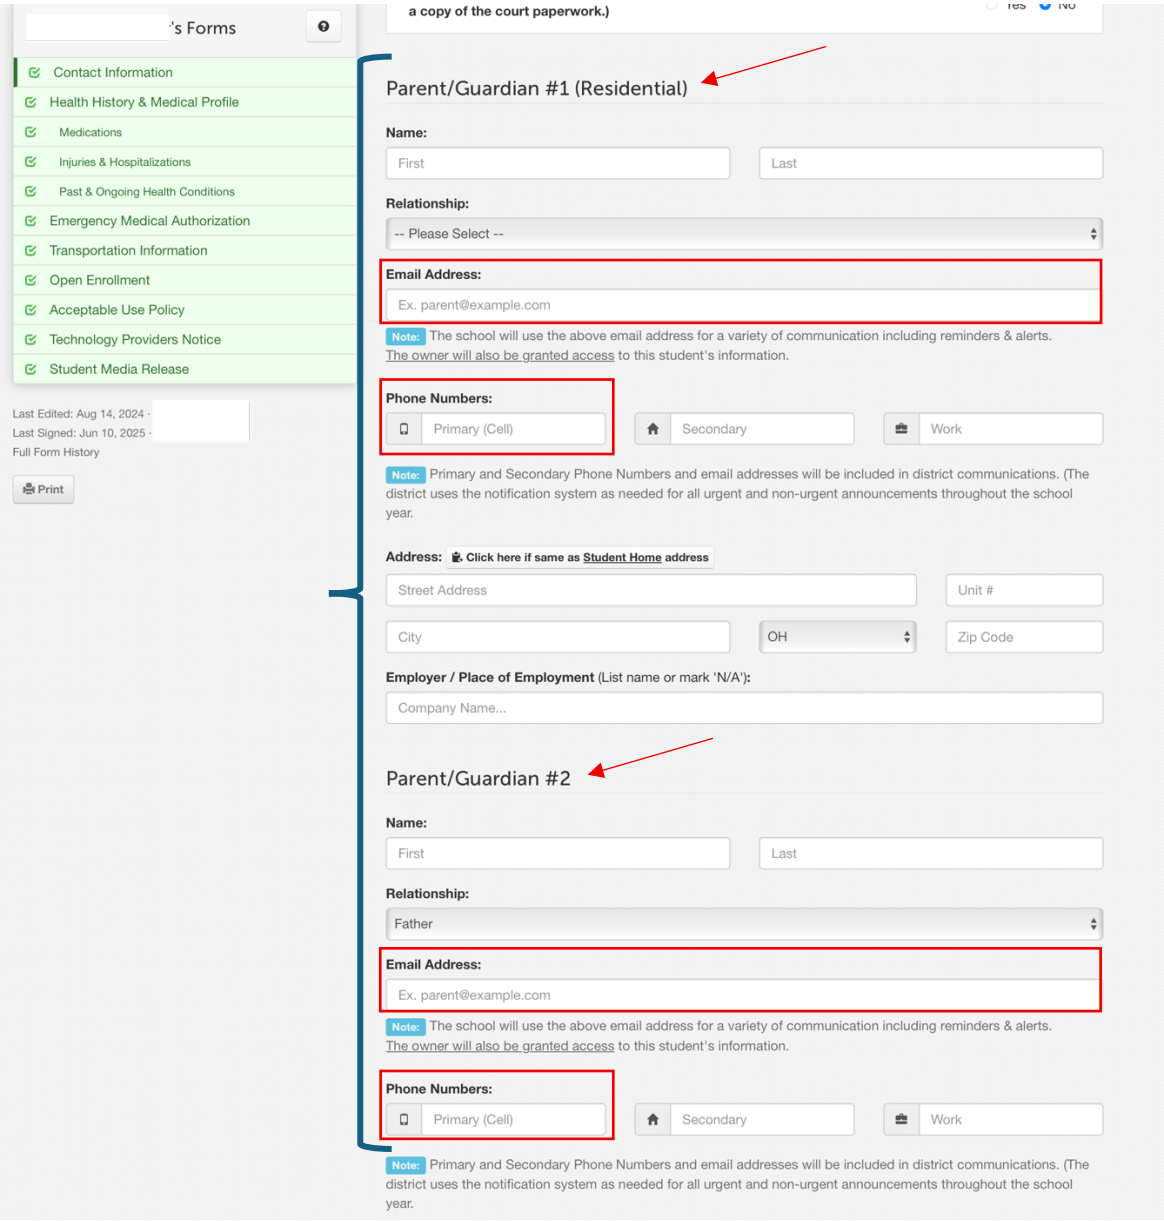
Coventry Local Schools
Parent Square

If you have not received communication from the district in **Parent Square**, please make sure that your **Final Forms** are updated.

To check what information is in Parent Square, login to your Final Forms and view the contact information for Parent/Guardian 1 & 2. These contacts will be transferred to Parents Square.


Changes made in Final Forms will be reviewed by the building secretary. Once the information is synced at the building level these changes will take 24 hours to appear in Parent Square.
