

At CES, our PBIS incentives build on each other. Students are encouraged to follow our Journey of a Comet guidelines on a daily basis. By following these guidelines, students can earn the following rewards.

Daily: Comet Stickers can be earned by making good choices and being responsible at school as students follow our Journey of a Comet guidelines.

Weekly: A Comet Sticker Winner is picked each week from students that earned a sticker. They get to redeem a prize of their choice.

Monthly: Teachers nominate students as their "Comet Kid of the Month". We have an assembly where the winners are revealed to the school. These students earn a certificate, Comet bracelet and a free kid's meal from Honeymoon Grille. We also draw 5 names during these assemblies from students that have earned Comet Stickers for another chance to win more prizes.
